SHELTON does not drink intoxicating beverages and dislikes anyone who does. He is a chain cigarette smoker and usually smokes Pall Malls. He dislikes grits.

SHELTON likes to brag and is prone to be a "big liar." He is a domineering man and gets along well with anyone who will obey him. He, as far as is known, gets along well with his wife when he is at home; however, he is not at home much of the time. He is not known to have any love affairs with other women at this time; however, some years ago, [REDACTED] at that time, was in love with him but he did not appear to be in love with her. [redacted] It is believed that SHELTON and [redacted] are and have been possibly manipulating the funds of the UKA, although this cannot be proved. It is known that SHELTON and [redacted] and that each presently is living in and buying a home valued at better than \$20,000 each. SHELTON is also closely associated with [redacted] officials of the UKA in North Carolina.

b7C

SHELTON is motivated in his work by love of publicity and a feeling of importance. He likes to have his opinion sought by different individuals. He is exceedingly interested in the UKA work. He is taking some type of pills, although it is not known whether these are sleeping pills, tranquilizers, or the exact nature of the pills. SHELTON does not sleep very much, and that is due to the fact that he works so late that he just does not get into bed in time to get sufficient sleep. There is no indication that he has any difficulty in sleeping, but he does not get over four or five hours of sleep a night. SHELTON is not interested in sports, such as baseball, football or the like. He may occasionally go fishing; however, his main interest is in the UKA work. He belongs to the Alberta City, Alabama, Methodist Church and does attend church occasionally.

While in Washington, D. C., attending the HCUA hearings, he remained in his room at the Congressional Hotel most of the time. He was staying in Room 709 of this hotel when [redacted], one of the leading UKA members in Alabama, came to see him before [redacted] testified before the HCUA. SHELTON asked [redacted] if he was going to take the Fifth Amendment, which SHELTON wanted him to do, and [redacted] said he did not think he would do so. As [redacted] left the room, SHELTON told him goodbye in a firm voice and slammed the door behind him.

b7C

The only known arrest of SHELTON was on 5/21/62 by the Tuscaloosa, Alabama, Police Department for violation of the Uniform Firearms Act, but SHELTON was found not guilty on 10/10/62. He reportedly made the statement prior to being found not guilty that he was a police officer and, therefore, was authorized to carry a gun.

SHELTON is known to have bragged that in early 1963 he had 33 television interviews. It is known that he has flown to various cities and places over a great section of the United States to speak at public rallies or other UKA functions and/or to appear on radio or television programs. It is also

EE 157-835

known that in early 1960, he was driving a 1957 or 1958 white Cadillac. In August, 1960, he was driving a dark blue Cadillac. In 1962, he was driving a 1958 green Cadillac. In 1963, he was driving a 1963 white Grand Prix Pontiac. In 1964, he was driving a 1961 black Cadillac.

He reportedly wears a .38 caliber pistol and on occasion has carried a carbine rifle in a gun case in his car, and on some occasions has been reported as carrying as many as two guns in the trunk of his car.

In October of 1965, ROBERT M. CREEL, who was then the Grand Dragon, State of Alabama, UKA, stated that the various members and officers of the UKA were very disappointed that SHELTON had taken the Fifth Amendment and had placed himself like communists in that regard.

It is believed that SHELTON and his activities are the most vulnerable from the standpoint of his handling or mishandling of UKA funds and possibly the use of rumors or figures alleging income tax evasion. It is known that SHELTON has been employed during a great part of his adult life as a tire builder. In early 1959, he was employed as a tire builder at the B. F. Goodrich Plant at Tuscaloosa, Alabama, and resigned from this position in order to take the job as sales manager over all the B. F. Goodrich Stores throughout the State of Alabama. It was rumored that he obtained this position by promising certain officials of the B. F. Goodrich Company that he was in a position to obtain

BH 157-835

the entire tire business of the State of Alabama, which was then worth about one million dollars a year, for four years. He, according to a newspaper article appearing in the 10/11/59 issue of the Birmingham News, obtained a 1.6 million dollar tire contract for the B. F. Goodrich Company from the State of Alabama. It was alleged in this article that this tire contract was a "political debt is paid at last by PATTERSON," and the article goes on to indicate that Alabama Governor JOHN M. PATTERSON was indebted to SHELTON for services rendered by SHELTON and the UKA to him in his race for Governor of the State of Alabama.

In November, 1959, SHELTON reportedly had been called into the Birmingham office of B. F. Goodrich Company during that month and had been advised that he was being fired due to a reduction in the sales force of the company. SHELTON reportedly remarked that the company at Birmingham was being compelled by a few "Negroes" and "Jews" to fire him.

The Birmingham News for 4/30/60 carried an article entitled "SHELTON Ousted from Klan Post." The article quoted E. L. EDWARDS, a Klansman from Atlanta, Georgia, as stating that SHELTON was released as Grand Dragon, an agent of the Klan in Alabama, "for conduct unbecoming a Klansman," and "attempting to use the organization for selfish purposes." Records of the Alabama Office of the Secretary of State reflect that SHELTON had been replaced by Rev. ALVIN KORN of Talladega. The article went on to state that a check had been made with Mr. EDWARDS, who was then the Imperial Wizard of the UNITED KLANS OF AMERICA, KNIGHTS OF THE KU KLUX KLAN, at Atlanta, and he had stated "We had to have a Grand Dragon in Alabama, and we did not have one in ROBERT M. SHELTON." EDWARDS did not elaborate on what he considered conduct unbecoming a Klansman, as above mentioned. It is to be noted that on numerous contacts with SHELTON, on more than one occasion he has mentioned that he receives copies of communist publications. It is possible that this information may be used to show him up in a bad light.

In 1960, unverified information was received concerning an \$8,000 gambling debt won by "a" ROBERT SHELTON in 1960.

In 1963, it was reported that SHELTON was endeavoring to secure a percentage from truckers hauling whiskey or

BH 157-835

their margin of profit under the division of commission set-up in the State of Alabama from Governor-elect WALLACE, as he supposedly had received money in this fashion under Governor JOHN PATTERSON's administration.

In early 1964, SHELTON and [] and another individual had formed the Heritage Insurance Company in Alabama and were prospering from that business. This insurance company was supposed to have been incorporated at Tuscaloosa, Alabama, and various UKA members were acting as agents and selling insurance. It was stated that [] a Birmingham attorney, was handling the legal affairs for this insurance company. In July, 1964, it was stated that the Heritage Insurance Company had folded up after the Klan members had determined that [] was a crook and had been cheating the members. It was also stated that some of the members of the UKA were upset with ROBERT SHELTON as SHELTON was not explaining what he did with the money which had been donated by some citizens of Tuscaloosa, Alabama, during the recent activity concerning the insurance company in Tuscaloosa. It was also stated by one of the UKA members that since ROBERT SHELTON's wife worked in his office and was in charge of the wives of the members of Tuscaloosa Klavern #5 of the UKA, it was difficult to determine what was going on in SHELTON's office at that time.

b7C

The Tuscaloosa News on page one of its 9/11/64 edition carried a caption "Road Probe Labeled Political by WALLACE." The article indicated that an investigation was being conducted into alleged "wrongdoing" found in the handling of engineering contracts in Federal-aid highway projects in Alabama. The article went on to state that a lengthy report had been prepared in regard to the situation, and the report identified ROBERT SHELTON, Imperial Wizard of the Ku Klux Klan, as an employee of one of the engineering concerns involved, namely, Dixie Engineering, Inc., of Mobile.

The Tuscaloosa News on page three of its 10/3/64 edition contained an article reflecting that ROBERT SHELTON had been awarded the sum of \$4,200 as a plaintiff in the civil

BH 157-835

damage suit against Dixie Air, Inc., in a settlement verdict entered in the Circuit Court at Tuscaloosa, Alabama, recently. It was stated that this suit grew out of an airplane crash in South Carolina in August of 1963 in which ALVIN SISK, of Tuscaloosa, had been killed and ROBERT SHELTON and one other companion had been injured.

[redacted]

b3

It is known that about September, 1965, SHELTON moved into his new brick home [redacted] in the Lake Sherwood Development near Tuscaloosa, as mentioned above. It is also known that about that same time, SHELTON was observed to be in possession of a large roll of \$20 bills. It was also reported that in May of 1965, SHELTON in a discussion with other Klansmen at a hotel in Natchez, Mississippi, had claimed that he had lived on \$2,700 from the Klan as his salary during the past year. He then stated that that was all he got from the Klan. At about the same time, SHELTON is also supposed to have stated that in a two-week period after the murder of the white woman in the Selma, Alabama, march, \$5,000 had been received by the UKA and was used as retainer fees for the forthcoming trial. He also stated that now deceased Attorney MATT MURPHY of Birmingham, who had been the UKA lawyer, had spent \$6,000 or \$7,000 of his own personal money in connection with the three Klansmen being tried for the murder of the white woman in the Selma march. In October, 1965, FLYNN ROBERT HARVEY, Grand Dragon of the UKA in Ohio, commented that ROBERT SHELTON, Imperial Wizard, UKA, received 50 cents each month from each UKA member.

In October, 1965, [redacted] reportedly had charge of the UKA Defense Fund and paid out lots of money to ART HANES, Attorney for the UKA at that time. It was stated that [redacted] SHELTON, had deposited \$1,889 in the UKA Defense Fund on one day in September 1965. It is to be noted that they, SHELTON and [redacted]

In October, 1965, the Bureau instructed the Birmingham Office to discreetly attempt to ascertain whether

During 1965, at one time it was stated within the UKA that ROBERT M. CREEL, then Grand Dragon, State of Alabama, UKA, was short \$1,000, and it was also stated that funds were coming into the UKA at the rate of about \$2,000 per week. It was also stated that on 12/24/65 checks in the amount of \$1,373 and cash in the amount of \$189 were received

BH 157-835

by SHELTON as Imperial Wizard. It was also stated that on 1/20/63 approximately \$2,000 in checks and cash were observed on SHELTON's dining room table. It was further stated that the KUCA in North Carolina had collected \$14,000 in two days to support the expense of Klansmen in the KCUA hearings being conducted in Washington, D. C.

As above mentioned, it is believed by the Birmingham Office that SHELTON's vulnerability will probably exist in the manner in which he has failed to account for misused funds coming into the KUCA and/or his failure to report funds obtained by him and used by him personally as income.

SUBJECT: BOMBING MATTERS - SUSPECTS
BIRMINGHAM DIVISION

DATE: April 15, 1966

Re Birmingham letter dated March 11, 1966.

ROBERT MARVIN SHELTON, Imperial Wizard of the United Klans of America, Inc., Knights of the Ku Klux Klan, has been carried on the Birmingham list of Potential Bombing Suspects for several years, largely because of his official position in the United Klans of America.

On numerous occasions, ROBERT SHELTON's whereabouts have been checked in connection with various bombings throughout the United States. On each occasion, it was established that he was not near the scenes of such bombings. Birmingham Informants have repeatedly reported that SHELTON has made known that he would not condone violence and that they have never had any reason to suspect him of violent tendencies.

In view of the above, SHELTON's name is being deleted from the list of Bombing Suspects in the Birmingham Division.

ENCLOSURE

APPENDIX

UNITED KLANS OF AMERICA, INC. KNIGHTS OF THE KU KLUX KLAN (UNITED KLANS)

Records of Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U.S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, The Alston Building, Tuscaloosa, Alabama. The organization is directed by Robert Shelton, Imperial Wizard, and is the dominant Klan group in the South with units in several southern states.

On August 14, 1961, the second source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Inc., would be known in the future as United Klans of America, Inc., Knights of the Ku Klux Klan. The second source said the name was changed by a resolution adopted at the National Klavocation held July 8, 1961, at Indian Springs, Georgia.

Second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, a majority of the Klaverns of the U.S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

As you have been previously advised, Imperial Wizard Robert M. Shelton of the United Klans of America, Inc., Knights of the Ku Klux Klan, and six other Klan leaders were indicted for Contempt of Congress for failing to produce Klan records subpoenaed by the House Committee on Un-American Activities. Shelton's trial was scheduled to start today.

At 10:25 a.m., Mr. James L. Weldon, Jr., of the Internal Security Division of the Department telephonically advised that United States District Judge Matthew F. McGuire had started the proceedings today with an inquiry as to why there was a rush on Shelton's case since the other defendants were not scheduled for trial until October. Klan attorney Lester V. Chalmers immediately requested a postponement until a later date. Of course, the Department desired an early trial of Shelton since it is anticipated any conviction will be appealed and the Department felt that motions and so forth with regard to Shelton could be handled prior to bringing the others to trial.

Judge McGuire postponed Shelton's trial until 9/12/66. It is the Department's opinion that Judge McGuire has a crowded schedule of jail cases which he wants to dispose of first. United States Attorney Bress told in court that the Government's case would take one or two days, while Chalmers advised the court that the defense would take one or two weeks.

 RE: UNITED KLANS OF AMERICA

 (OO:BH)
 ReCITEletype to Bureau, BH and CV, 5/29/66.

[redacted] who has furnished reliable info in the past, concerning Klan matters, orally advised SA [redacted] that he was in attendance at a Klan conference conducted by ROBERT SHELTON, Imperial Wizzard of UKA on 5/30/66, at the Downtowner Motel, CV.

This conference consisted mainly of questions asked of SHELTON by those in attendance who for the most part are active members of NKKKK, Klavern #6, Cleveland. SHELTON generally advised that he was not in Ohio to take away members from other Klans, but anyone wanting to join UKA could do so.

SHELTON noted that some Klansmen are receiving "postcards" bearing the message "We know you are a Klansman", and they, referring to the audience, should not be scared if they receive one. He stated that he thinks the FBI is behind the postcards and these postcards are directed to people whose license plate numbers were taken by the FBI at various Klan functions.

SHELTON also mentioned an "Operation Nancy" which is operated by the FBI in Ala. He noted the FBI has seven to nine prostitutes working for them who solicit the business of Klansmen in order to gain info from them for the FBI. In the event any of these prostitutes are arrested, they merely have to call the FBI and identify themselves as "NANCY" and thereafter the FBI has the particular prostitute released.

SHELTON spoke of the FBI infiltration of the Klan by FBI informers. In this regard he noted that he personally knows of one individual who has been an FBI informer for the past five years; however, he is not doing anything to expose this individual as he would then have to worry about who this individual's replacement would be. He noted that he only gives this individual info which he wants him to know on the assumption he would furnish the info to the FBI. The manner in which Shelton spoke indicated to [redacted] that this individual b2 is someone close to SHELTON.

b7D

SHELTON also told of Klansmen being approached by the FBI to become informers. He advised that one of these persons contacted for this prpose by the FBI came to him and he instructed this person to play along with the FBI and become an FBI informant. This person is now an FBI informant with the full knowledge of SHELTON and the payment this person receives from the FBI for his services as an informant is turned over to a Klan fund. [redacted] noted b2 that SHELTON did not specifically say where this informant operates, but it would again appear to be someone close to b7D SHELTON.

b7D

In view of the seriousness of the allegations pertaining to SHELTON's alleged knowledge of FBI informants and operations, [redacted] was interviewed in detail concerning these aspects; however, he could furnish no further info than noted above, and was not in a position to question SHELTON further without placing suspicion on himself.

As the FBI infiltration of the Klan has been a matter of Klan speculation and general knowledge for sometime, this info has not been incorporated into an LHM; however, the BH Office is in a position to evaluate this info and make any recommendations as to any warranted action based on their experience and knowledge of the operations of the UKA and particularly prior allegations of a similar nature.

Copies of informant's report covering the above info will subsequently be furnished the BH, CI and MO Offices.

The MO and CI Offices are also being alerted to this matter.

[redacted] advised ROBERT M. SHELTON, Imperial Wizard of the UKA, was the guest speaker of the North American Alliance for White People at Sachsenheim Hall, 7001 Denison Avenue, Cleveland, Ohio.

b2

b7D

[redacted] advised one of these is the calling in of all charters of every Klavern in the State for the purpose of re-issuing these charters under a new number. [redacted] advised this is being done for the reason that several duplications in unit numbers exist. [redacted] advised SHELTON stated the decisions of this committee would be final. [redacted] advised SHELTON stated that money is desperately needed for legal fees in the contempt trials that are coming up. [redacted] advised that SHELTON stated there is an injunction being set by the Klan in the State of New Jersey to prevent the enactment of a law preventing meetings of the Klan. [redacted] advised SHELTON stated the Anti-Defamation League is receiving membership lists of the Klan organization from the House Committee on Un-American Activities, and that the ADL is using this information to harass members of the Klan by sending cartoons printed on pink postal cards to these members, and by harassing them in other ways. JOHNSON, United States Attorney General NICHOLAS KATZENBACH, and general drift toward socialism in the United States. UNITED KLANS OF AMERICA, INC.,
KNIGHTS OF THE KU KLUX KLAN (UKA)

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, Alston Building, Tuscaloosa, Alabama. (The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South, with units in several southern states.)

Second source advised that at a meeting in Prattville, Alabama, on October 22, 1961, the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

Third source advised on May 25, 1966, that the UKA is currently an active organization, with Klaverns in several states. This source said that ROBERT M. SHELTON is the Imperial Wizard of this organization and was elected to this position on September 5, 1964, at a National Klonvocation in Birmingham, Alabama. Source stated that during April, 1966, the national office was moved from Suite 401, Alston Building, Tuscaloosa, Alabama, to the carport of SHELTON's residence, #18 Lake Sherwood, Star Route, Northport, Alabama, which space he had converted into a room.

My memorandum 9/12/66 advised that the trial of Robert M. Shelton, Imperial Wizard, United Klans of America, Inc., on the charge of Contempt of Congress began in Federal District Court, Washington, D. C., on 9/12/66. This is to advise of the progress of today's proceedings.

Judge John J. Sirica denied defense motions to produce records of the House Committee on Un-American Activities. Committee staff members, including Donald Appell, testified concerning their subpoena of Klan records and the refusal of Imperial Wizard Robert Shelton to produce them before the Committee.

It appears at this point that there will be no additional testimony and tomorrow the defense and prosecution will give concluding arguments and the case will then be given to the jury.

(SHELTON)

WASHINGTON--ROBERT M. SHELTON, IMPERIAL WIZARD OF THE KU KLUX KLAN, TODAY WAS SLAPPED WITH THE MAXIMUM SENTENCE OF ONE YEAR IN JAIL AND A \$1,000 FINE FOR CONTEMPT OF CONGRESS. HE SAID HE WOULD APPEAL. SHELTON, 36, OF TUSCALOOSA, ALA., WAS CONVICTED SEPT. 19 BY A FEDERAL COURT JURY OF REFUSING TO TURN OVER SUBPOENAED KLAN DOCUMENTS TO A SUBCOMMITTEE OF THE HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES.

HIS LAWYER, LESTER V. CHALMERS, ASKED U.S. DISTRICT JUDGE JOHN

J. SIRICA TO IMPOSE A FINE ONLY.

"IN MY OPINION, MR. SHELTON IS NOT A CRIMINAL," CHALMERS SAID.

"I DON'T THINK HE COULD EVER COMMIT A CRIMINAL OFFENSE."

SIRICA READ PORTIONS OF A PROBATION OFFICER'S REPORT ON AN INTERVIEW WITH SHELTON, THEN IMPOSED THE MAXIMUM SENTENCE.

IN THE REPORT THE PROBATION OFFICER SAID SHELTON TOLD HIM HE WAS CONVICTED BECAUSE MEMBERS OF THE JURY--SIX NEGROES AND SIX WHITES--WERE PREJUDICED AGAINST HIM.

HE ALSO SAID HE WAS A VICTIM OF POLITICAL EXPEDIENCE.

THE REPORT ALSO QUOTED SHELTON AS SAYING, HE DID NOT WANT TO BE PUT ON PROBATION BECAUSE HE FEARED PROBATION PROVISIONS WOULD RESTRICT HIS MOVEMENTS.

CHALMERS TOLD THE JUDGE SHELTON DID NOT FULLY UNDERSTAND PROBATION WHEN HE MADE THE REMARKS AND WAS ANXIOUS TO BE PLACED ON PROBATION.

AFTER SENTENCING, SHELTON SAID "I AIN'T GOT TIME TO BE UP HERE IN THE FIRST PLACE." HE SAID HE WAS RETURNING TO ALABAMA IMMEDIATELY.

The following references in the file captioned "Hate and Klan Organizations" (157-5) set out information regarding Robert M. Shelton, Imperial Wizard of the UKA.

In late 1965 and into 1966, the HCUA conducted hearings regarding the KKK and the activities of its officials. During the hearings, Shelton was called to testify. Shelton invoked the Fifth Amendment and was cited for contempt when he refused to produce Klan records. In early 1966, Shelton held numerous press conferences, at which time he made allegations and charges against the HCUA and the Congressmen assigned to the HCUA.

Other information showed his attendance at rallies, his speeches and interviews and the general reaction of Klan members toward Shelton's conduct.

out of the United States. SHELTON also alleged that the UKA was being harassed by the FBI and said that J. EDGAR HOOVER, Director of the FBI, no longer controls the FBI. According to SHELTON, the FBI is controlled by the U. S. Department of Justice and HOOVER no longer enjoys the power that he, for a number of years, exercised over the activities of the FBI.

SHELTON advised those in attendance to utilize the following procedure in interviews by Special Agents of the FBI. He advised that the member being interviewed, prior to admitting the agent or agents to his residence, should secure the Agent's name and his identification card and also the number appearing on the identification card. He should invite the agent or agents into his residence, and if he so desired, he may identify himself as being a UKA member; however, he should not identify other UKA members or discuss UKA activities. If after the agent or agents indicate they are desirous of continuing the interview, he, the UKA member, should bring forth a camera and take photographs of the interviewing agent or agents. Then if the agent or agents persist in continuing the interview, he should then obtain a tape recorder and inform the agent or agents that he is going to tape the interview. According to SHELTON, if the agent or agents continue to remain on the premises after the aforementioned procedures have taken place, the UKA member should then engage the agent or agents in an argument. He could do this by alleging that the agent or agents have accused him of bombing the home of a Negro. After making this allegation, the UKA member should then tell the agent or agents to leave the house and that if they do not, he is going to call the police. If the agent or agents do not leave the residence, he should then call the police, giving them the identity of the agent or agents and request that the police department arrest them. SHELTON advised that in the future all UKA members should utilize the above plan if they are contacted by Special Agents of the FBI relative to their UKA membership.

SHELTON further advised those members in attendance that it is best not to allow themselves to be interviewed by the FBI agents inasmuch as these agents are trained investigators and the UKA members being interviewed unwittingly give information during the interview without realizing that he is providing such information.

UNITED KLANS OF AMERICA, INC.,
KNIGHTS OF THE KU KLUX KLAN (UKA)

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute, and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, Alston Building, Tuscaloosa, Alabama. (The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South, with units in several southern states.)

Second source advised that at a meeting in Prattville, Alabama, on October 22, 1961, the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

Third source advised on May 25, 1966, that the UKA is currently an active organization, with Klaverns in several states. This source said that ROBERT M. SHELTON is the Imperial Wizard of this organization, and was elected to this position on September 5, 1964, at a National Klonvocation in Birmingham, Alabama. Source stated that during April, 1966, the National Office was moved from Suite 401, Alston Building, Tuscaloosa, Alabama, to the carport of SHELTON's residence, #18 Lake Sherwood, Star Route, Northport, Alabama, which space he had converted into a room.

KKK Cites NAACP, Red Party Cases To Clear Wizard of Contempt Charge

A By Neil W. Valentine
Washington Post Staff Writer

Lawyers for the Ku Klux Klan cited NAACP and Communist Party cases for support yesterday as they asked the U.S. Court of Appeals to reverse the contempt-of-Congress conviction of Imperial Wizard Robert M. Shelton.

"Liberty, to be secure for any, must be secure for all—even for the most miserable merchants of hatred and unpopular ideas," said Klan attorney Lester V. Chalmers of Raleigh, N.C.

He was quoting a 1960 Supreme Court dissent by Justice Hugo L. Black in the case of a suspected Communist convicted of refusing to answer questions before the House Un-American Activities Committee.

Chalmers also cited a Supreme Court decision barring Alabama officials from forcing the state NAACP to divulge its membership list.

Shelton was not present for yesterday's arguments before Judges David L. Bazelon, Charles Fahy and J. Skelly Wright, who took the case under advisement.

The 36-year-old Shelton was convicted of contempt last Sept. 14 by a District Court jury. He was sentenced to a year in jail and a \$1000 fine but has remained free on appeal bond.

Justice Department prosecutors charged that Shelton willfully refused to produce subpoenaed Klan documents during a HUAC hearing on Klan activity in October, 1965.

Chalmers contended yesterday that the committee inquiry was an exercise in ex-

posure for exposure's sake," violat- tionally membership lists, Chal- ing Shelton's constituents asserted. mers asserted. He said HUAC lacked au- and protection against undue thority to conduct the investi- search and seizure. He was gation in the first place be- within his rights to take the cause there was no pending Fifth Amendment in refusing Klan-related legislation before to reveal Klan records, espe- Congress at the time.

NEW 3-YEAR TERM

Shelton stays at Klan helm; convention ends

**BY LARRY CORCORAN
AND GEORGE METZ**

TUSCALOOSA — The United Klans of America Imperial Wizard Robert Shelton remained at the helm of the nation's largest Ku Klux Klan order today, re-elected to a new three-year term by the UKA Sunday.

Shelton immediately announced a nation-wide Klan membership drive, and planned, he said, for "implementation of our boys' youth auxiliary program."

"Too many of our young people are being neglected and are falling into the clutches of atheism, liberalism and communism," Shelton said, announcing the UKA planned a massive education program, along Klan doctrines, aimed primarily at young people.

Shelton emerged from the two-day UKA national conven-

tion here apparently still undisputed spokesman for the majority of the country's Ku Klux Klansman.

Two other top imperial chieftains were also re-elected in Sunday's final session — Imperial Kaliff Robert Thompson of Atlanta, and Imperial Kligrapp Melvin Sex-

ROBERT SHELTON

ton of Tuscaloosa.

Imperial kaliff is vice president, and imperial kilgrapp is secretary.

Only one of the Klan's directors on the board was re-elected — Robert Collins of Atlanta.

NEW MEMBERS elected to the board include Coy Neal of Tuscaloosa; William Chaney of Indianapolis, Ind.; Charlie Edlers, South Hill, Va.; Billy Barnes of South Carolina, and the Rev. James Spears of Decatur.

Both Chaney, grand dragon of Indiana, and Rev. Spears, UKA's Alabama grand dragon, will also retain their state posts, Shelton said.

Shelton prefers to call the UKA the country's "only Klan." However, more than half-a-dozen splinter Klan groups came under recent scrutiny of the U. S. House Committee on un-American activities.

Shelton estimated more

than 2,000 Klansmen from 42 states attended the convention.

On 2/27/68, a source of the Birmingham Office furnished four tapes of the Edward Dean Show, a program on which ROBERT SHELTON, Imperial Wizard of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA), and Rev. JAMES H. SPEARS, Grand Dragon of the UKA, Realm of Alabama, appeared as guests between 10:00 P.M. and 12 Midnight, 2/22/68.

These tapes were played by Birmingham Agents and the following comments were made by SHELTON during the course of the program:

He presented his timeworn cliches concerning FBI informants in the Klan, and stated that the Klan considers the monies received in this fashion as Federal aid. He also pointed out that the UKA is not a political organization; rather they are fighting Communism. He also mentioned the Junior Klan, stating that it was open to boys, ages 12 - 18, and its purpose was to teach the youth of America Americanism, respect for the flag, patriotism, and to fear God. He mentioned that anyone desiring information as to the qualifications for membership in the Junior Klan should write to him at Post Office Box 2369, Tuscaloosa, Alabama. He also, in answer to a listener's question concerning the bombing of the 16th Street Baptist Church in September, 1963, mentioned that he, as the head of the Klan, had offered a \$1,000 reward for information leading to the identity of the individuals responsible for this crime.

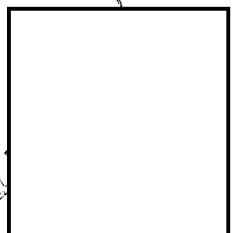

In this connection, he also mentioned that the three men arrested shortly after the bombing of the church who were charged with possession of dynamite were not, in his opinion, involved in the bombing of the church, and to his knowledge it was not established that there was any connection between

the arrest of these three individuals and the bombing of the church. However, he was unable to furnish any information to the caller as to the disposition of the possession of dynamite case against these individuals.

He also answered questions posed to him by citizens calling in on the telephone as to the aims of the Klan, and mentioned again that the Klan was not a violent type of organization and that only individuals who were "persons with good Christian character and followers of Christ" could join the Klan. He also traced the history of the Klan and the reasons why it was brought into existence many years ago.

SUBJECT: ROBERT M. SHELTON
IMPERIAL WIZARD OF THE
UNITED KLANS OF AMERICA, INC.

As a matter of interest the above-mentioned individual filed libel suits several months ago against Buford Boone, Publisher of the "Tuscaloosa News," Tuscaloosa, Alabama, because of certain editorials Boone ran in his paper castigating the Klan. One of these libel suits came to trial within recent weeks and the jury returned a verdict September 19th in behalf of Shelton, fixing no damages for compensation and \$500 as a punitive judgment. Several members of the jury voted to give Shelton nothing but one juror held out and the \$500 verdict was a compromise.

The second case Shelton has against Boone is not considered as strong as the first one and perhaps this will go to trial next January.

Purpose of this memorandum is to advise you that the United States Court of Appeals has affirmed the conviction of Robert M. Shelton, Imperial Wizard of the United Klans of America, (UKA), Inc., for contempt of Congress.

BACKGROUND:

Robert M. Shelton, Imperial Wizard of the UKA and six other Klan leaders were indicted in 1966 for contempt of Congress for failing to produce Klan records subpoenaed by the House Committee on Un-American Activities. Shelton was convicted in Federal District Court, Washington, D. C., and given a sentence of one year in jail and a fine of \$1,000. He appealed this conviction and is presently out on bond. The court proceedings pertaining to the six other Klan leaders were held in abeyance pending the appeal by Shelton.

On August 14, 1968, Paul Vincent, Internal Security Division, Department of Justice advised that the United States Court of Appeals, Washington, D. C., had just affirmed the lower court conviction of Shelton. Vincent stated that it is assumed that Shelton will appeal the court's decision to the Supreme Court.

ACTION:

None. For information.

Klan Rally Hears Conspiracy Charge

By TERRY KEETER

LAKE, Miss. — The Imperial Wizzard of the United Klans of America addressed a rally of about 400 in a field near here last night and lashed out at President Johnson, the "Communist conspiracy", government handouts, while praising presidential hopeful George Wallace.

Robert Shelton of Tuscaloosa, Ala., told the group that he felt the present civil rights uprising was part of a Communist design.

Shelton, speaking in an open field filled with both automobiles and spectators, said it was part of the Communist program to "create problems, then offer solution." He said that was what they had done with civil rights in 11 southern states, commonly called the "Black Belt."

"With an enemy who is reaching out for world conquests, the first thing they attempt to do is concentrate their efforts in the area of greatest resistance," he said.

"That was the eleven Southern states," he said.

He said that the Communist party first offered to give the Negroes these states but had no success. He said they then added a plank in their program to "create a guilt complex in the minds of Christian people—that they had been denying the Negro people their rights."

He said by use of this plank, they were "infiltrating and gaining control of religious groups, throughout this Black Belt."

"We must be able to recognize and realize the problems and how they use them — how they are enticed and implemented upon the American people," Shelton said.

He charged that, working through the government, they had passed legislation, "directed particularly at these states." He listed the Civil Rights bill, federal aid programs, and the Hill-Burton Act among programs aimed at the South.

"Then they picked out an area in these 11 Southern states to provoke, set up and carry out an act of violence," he charged.

He listed the James Meridith shooting as one of these "set up" acts of violence.

He charged that it was known beforehand that there would be birdshot in the gun, and questioned why newsmen did not duck for cover when the shooting occurred.

He said that it was part of the plan that a picture would be taken of Meridith lying on the pavement in pain.

The Klan leader also lashed out at recent riots in the major cities of the country and blasted the President for ordering the flags flown at half-staff following the murder of Martin Luther King.

"This is something that hasn't even been done for the 22,000 boys killed in Vietnam," he said.

He said that in Chicago during recent riots, policemen turned their backs on looters and those smashing store windows. He said there was no protection in the city of Chicago during the riots and that "for 12 hours they were without law enforcement."

"Many a country has fallen in less than 12 hours," he said.

He said his organization did not advocate violence of any form but would use the ballot as its weapon.

He said news accounts would probably point out that the meeting was held in a "cow pasture."

"I'm an old farmer from Alabama and I feel at home in a cow pasture," he said. "I know what to look for and how high to raise my britches legs."

"At least you don't have to shield your eyes from all that political manure that's thrown out at Washington, D. C., and various state capitals throughout the country."

Following Shelton's talk, about 40 robed Klansmen ignited a 30-foot cross as a loud speaker played "The Old Rugged Cross."

Shelton is scheduled to move on to House, Miss., where he will address a rally at 8:30 p.m. today.

Shelton's Lawyers Wrap Up Case

Hearing of a civil damage suit by Klan Imperial Wizard Robert M. Shelton of Tuscaloosa against

The Tuscaloosa News went into its third day at the courthouse this morning with indication it might reach the jury later this afternoon.

The plaintiff's case was rested at 9:40 a.m. today after hearing testimony from several witnesses who testified as to the good character and reputation of Shelton.

Testifying as to Shelton's good character and reputation were Ralph Brown, a member of the state legislature from this county and local chiropractor, J. R. Moman of Tuscaloosa, Ralph Williams, a Tuscaloosa attorney, Marvin Ellis of Tuscaloosa and Walter Wyatt of Tuscaloosa.

Witnesses for the plaintiff during this morning's session were Maj. John T. Sullivan of the Alabama National Guard, Police Chief William Marable, Henry Butler, a former city policeman and Jerry Colburn, a Tuscaloosa News photographer.

Sullivan said he was ordered here by the state adjutant general during the spring and summer of 1964 to observe the racial situation. He said the situation prior to the publication of Boone's editorial was "grave and could become explosive."

Chief Marable and Butler told of violence which did erupt here during the first week of July, 1964.

Chief Marable said mob violence developed in at least two instances "which was a matter of grave concern."

Butler said "the situation was explosive, or at least I thought so."

Colburn was called to identify pictures he took at a Klan rally

on Highway 82 bypass in 1965, when Shelton was one of the speakers.

The plaintiff is seeking civil damages from The Tuscaloosa News and its publisher, Buford Boone. Publisher Boone was heard earlier as he was called as the first witness by the plaintiff's attorneys.

Shelton himself was on the witness stand for the greater portion of Tuesday's session.

It was concluded by denials that he ever had any connections with the leadership of elements who engaged in violence in Tuscaloosa prior to publication of an editorial in The News on July 7, 1964, which is the basis

for his suit. Shelton denied that he had ever led any mob or elements of a mob or had ever personally committed any act of violence here or elsewhere.

"I have never participated in any violence, organized or unorganized, on the person of anybody," Shelton declared.
